

ORANGE FIELD NATURALIST AND CONSERVATION SOCIETY Inc

The Society meets on the **second Thursday** of the month for a nature-related presentation by an expert speaker. The talks begin at **7.30pm** at the **Senior Citizens and Pensioners Centre** - entry is from Woolworths Supermarket Car Park on the opposite side to Harris Farm Markets. There is a field excursion on the following Sunday, usually to an area of natural habitat or a place of conservation interest. An informative and colourful newsletter is emailed each month. Members are also involved in ad hoc activities and the Society makes submissions on environmental and conservation issues within the Central West.
